

Dear Friends, Colleagues, and Fans:

Thanks a lot to all of those that have made a donation in the past several weeks. We appreciate it a lot.

We are now, done with the recording, mixing and mastering.

We still need:

- The Album Art,
- The Reproduction (Number Of Copies),
- Allocate the Barcode
- The Album Distribution.

If you haven't donate yet, now is the time. It's December and we trust, we'll get to our goal by the 31st.

In Chance, you'll get some merchandise from the band, and a copy of the album before the CD release party.
